

God's Promise to Abraham

GENESIS 15:1-6

Abraham and Sarah had faith in God. They took the long journey to the land God had promised to give them. When they arrived in the land, they built a new life. But Abraham and Sarah were still waiting for a child.

God spoke to Abraham again. God told Abraham to look at the stars in the nighttime sky. God said, "I promise, you will have as many children as the night sky has stars."

Abraham had faith in God's promise. Abraham and Sarah continued to wait for a child.

WONDER:

Do you think it was hard for Abraham to believe he would have so many children?
