

FAITH WORD

Faith

To believe in God's presence and hope.

SPIRITUAL PRACTICE

We sometimes say, “There is a ray of hope” or “I see a ray of light at the end” when things seem dark and hopeless.

Turn on a flashlight in a darkened room and imagine that God is with you. Bounce the beam of light around

the room and thank God for the joy, hope, and faith God brings to you.

This week look for rays of light. Whenever you see a ray of light, remember that God is always beside you.
